

New Lebanon
Central School
District

2010-2011 Board of Education Goals

Support a system-wide focus on programs and services that set the stage for higher academic achievement for all students in the New Lebanon Central School District.

- Continue to focus on reading and writing throughout the curriculum.
- Challenge each child by using technology in the learning environment and develop creative ways to provide our children with top quality programs.
- Foster programs to meet and exceed required State and STEM standards.

Continue our Fiscal accountability to the community.

- Monitor business processes.
- Streamline the budget development.
- Establish a process to provide opportunities for in depth understanding.

Continue to improve protocols and plans to ensure the safest possible school environment for students, faculty and staff.

- Establish and foster an environment that does not tolerate bullying.
- Establish programs to support developmental growth and emotional well being.

Ensure an appropriate educational environment that is constructive and welcoming.

- Encourage and accept parents as collaborators.
- Continue to develop a successful bridge to transition from elementary to secondary.
- Foster extra curricular opportunities.
