

New Lebanon  
Central School  
District

## 2011-2012 Board of Education Goals

**Support a system-wide focus on programs and services that set the stage for higher academic achievement for all students in the New Lebanon Central School District.**

- Institutionalize differentiated instruction K-12 as a means to increase student achievement.
- Develop a special education program that has as its' goal student independence by graduation.
- Ready our curriculum to match the Common Core Standards.
- Explore technology use to enhance student opportunities and success.
- Prepare students for career and college readiness with life skills such as organizational abilities, time management, and self-advocacy.

**Continue our Fiscal accountability to the community.**

- Explore shared services with other school districts or municipalities.
- Explore attracting foreign students to attend on a tuition basis.
- Continue to monitor business processes.

**Continue to improve protocols and plans to ensure the safest possible school environment for students, faculty and staff.**

- Establish and foster an environment that does not tolerate bullying.
- Establish programs to support developmental growth and emotional well-being.

**Ensure an appropriate educational environment that is constructive and welcoming.**

- Foster extra-curricular opportunities.
- Use technology to enhance communication with parents and community.
- Encourage and accept parents and community members as collaborators.
