

The Capital District Early Childhood and School Age Family and Community Engagement (FACE) Centers are Pleased to Share the Following Learning Opportunities for Families, School Districts, and Community Partners in July and August.

**Agency 101:
Navigating Adult Services**

Tuesday, July 27th @ 10:00AM - 11:30AM

Join us for a general overview of primary adult services. Participants will learn to recognize the eight components of self-determination and will better understand how to promote self-determination throughout the transition planning process.

Participants will learn about the various adult service agencies in NYS and will better understand the services provided by each, as well as their related eligibility, referral, and application process.

A Zoom link will be emailed to registrants prior to the training. Questions should be directed to Sheri Gaylord at: sgaylord@wildwoodprograms.org.

For more information and to register go to <https://conta.cc/34h0ucB> or click on the button below.

**EI to CPSE
Transition for Families**

Tuesday, August 3rd @ 9:30AM - 11:00AM

This workshop will guide parents and family members through the Early Intervention (EI) to Preschool Special Education transition in New York State and

takes a detailed look at the similarities and differences between the EI program and Preschool Special Education program.

Parents and family members will learn to:

- identify the important steps in the process; and
- understand the changes to expect and critical decisions to be made.

Participants will be well prepared for their child's upcoming transition and will have a better understanding of their role in the process.

A Zoom link will be emailed to registrants prior to the training. Questions should be directed to Sheri Gaylord at: sgaylord@wildwoodprograms.org.

For more information and to register go to <https://conta.cc/3wMKmfy> or click on the button below.

Understanding the IEP for Families

Tuesday, August 19th @ 1:00PM - 3:00PM

This presentation provides families/parents and caregivers an overview of the process for developing an Individual Education Program (IEP) using a collaborative approach. The training provides a review of the areas of the IEP and the information that a parent, family and/or caregiver can share with the Committee on Preschool Special Education (CPSE) or Committee on Special Education (CSE) regarding their child's performance and disability related needs.

Families will come away from this training with an understanding of the components of an IEP and the role that the parent has in its development.

A Zoom link will be emailed to registrants prior to the training. Questions should be directed to Sheri Gaylord at: sgaylord@wildwoodprograms.org.

For more information and to register go to <https://conta.cc/3qZ5w3z> or click on the button below.
