

New Lebanon
Junior/Senior
High School

August 1, 2017

Dear 7th and 8th grade families:

I hope that this correspondence finds you relaxed and enjoying the summer.

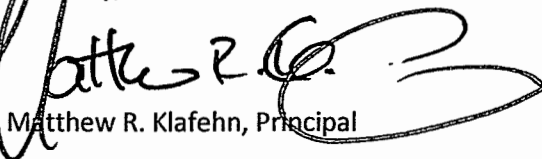

As you may have seen, stores are already advertising their "Back to School" sales. Understanding that there may be many families looking to take advantage of the discounted items, I wanted to make sure that I had provided a list of supplies that our junior high students will need for the start of school in September. Please be aware that there are many items available for purchase from the school store throughout the year.

Class schedules will be mailed to 8th graders at the end of August. 7th graders may pick up their schedules and locker assignments at our **Seventh Grade Orientation Night on August 24th, from 4:30 to 6:00PM.** If you are not able to attend the Orientation, please contact my Secretary, Sarah Roblez, in the Main Office. We will see that your schedule gets mailed prior to the first day of school.

All interscholastic athletes and **all 7th graders** will need to have a current physical examination in order to participate in the upcoming fall sports season. The school physician will be available to provide an exam in September, however, the season begins on 9/7 (Boys and Girls Modified Soccer). This date is prior to the date the school physician will be conducting physicals. If you are planning an examination with your own physician, please provide your doctor with the enclosed health appraisal form. Student athletes cannot attend practices without a current physical.

I look forward to working with all of you in the months ahead. Should you have any questions or concerns, please do not hesitate to contact the Main Office.

Sincerely,

Matthew R. Klafehn, Principal
