

Walter B. Howard Elementary School
1478 Route 20
New Lebanon, NY 12125

Dear WBH Parents:

On Thursday, June 16th, Walter B. Howard Elementary School will be putting on its annual Field Day! This year's theme is "We are Tigers!" Students can wear school colors.

The Field Day events will start at 9:00 a.m. and will end at 11:00 a.m. We start off with our annual Field Day mile race, followed by an hour and a half of stations. If there is poor weather, the rain date is scheduled for the following week (Tuesday June 21st).

We ask the parents to please remind their children of the following:

- 1) Students **MUST** be wearing sneakers in order to participate.
- 2) Apply sunscreen before coming to school and/or wear a hat.
- 3) It is very likely that the students will get very wet. Students may wear a bathing suit under their clothes. Every student should bring a full change of clothes so that they may change after getting wet (this includes top, bottom, underwear, and socks if wearing sneakers).
- 4) Bring a water bottle (put name on it)
- 5) Be kind and patient with each other.
- 6) Any students who have to leave early need to report to their classroom teacher. Parents are required to sign their children out in the main office prior to taking their child.

Thank you for your help in having your child prepared for field day.

Parents who would like to attend Field Day are welcome to attend!!! Once you arrive you must stop at the main office to sign-in and receive a visitors badge. The visitors badge must be worn the entire time you are on school property.

Tim Christiansen and Frank Healy
WBH Physical Education Department
